Court Suit Filed To Force County Commission To Build Jail In Enterprise

Shortly before Monday's meeting of the Coffee County Commission was adjourned, Deputy Sheriff Jim Henderson appeared and presented Probate Judge James L. Sawyer and all the commissioners with a summons listing the group as defendants in a suit brought by B. Z. Reynolds and Charles H. Amos, Sheriff Deputies.

The court order stated that the defendants "show cause in their answer why the Coffee County Commission should not cause to be erected a safe and suitable jail in Enterprise, Alabama, pursuant to the law made and provided."

The plaintiffs represent and show unto the court that they are over the age of 18 years and are residents and taxpayers of Enterprise Division, Coffee County, Alabama; that the defendants are elected officials of and residents of Coffee County, Alabama.

(2) Act No. 184, Legislature of Alabama, approved February 28, 1907, created the Circuit Court of Coffee County at Enterprise, Alabama, and provided for the erection of a courthouse and jail.

Included in the Act were the following sections:

Section 13 - "That until a safe and suitable jail can be erected in Enterprise... all persons shall be confined to the jail in Elba; and it is hereby made the duty of the court of county commission...

Section 14 - "That after the erection... all persons held for or convicted by said Sheriff Deputies shall be confined in the jail at Enterprise or at Elba as the Sheriff Deputies shall direct."

Section 11-14-10 - "The county commission shall erect a courthouse and jail at each of such places and such courthouses and jails to be adequate and commodious for the business of each court...."

The suit states that persons held for or convicted by the Court in Enterprise are housed in Elba and that such jail is not large enough to accommodate prisoners. The suit also states that the constitutional rights of the inmates have been violated.

In the order, the plaintiffs ask the court to "order the defendants to erect at Enterprise, Alabama, a safe and suitable jail."

The commissioners failed to make a statement on the suit and left immediately following the meeting.

County Schools Ask Commission For Help With Garbage Problems

The Coffee County Commission met on Monday, January 22, at the courthouse in Elba, and once again the commissioners heard of problems involving county residents and Solid Waste Enterprises.

This time the complaints came from Coffee County Superintendent of Education Jimmy Baker, who stated "I came to you because I didn't know where to go."

Supl. Baker told the Commission that the schools in the Coffee County School System use Solid Waste Enterprises for garbage pickup, and that "we are having trouble with the garbage service. The service is going down while the bills are going up. There is no way to determine the quality of service because most of the time we don't get any service."

Baker informed the Commission that the county schools' garbage bills have increased monthly. The bills ran \$409 in October, \$448 in November, \$504 in December, and \$591 for the early part of January. Baker added that in December there was no pickup during the last two weeks of the month.

"The principals of the schools have complained to Solid Waste Enterprises," said Baker, "but it has done no good. When garbage piles up at the schools, it causes a health problem, and we can't have that. I am willing to work with the Commission, but something must be done. The problem is getting worse. In January, we have had practically no service, and at Kinston, the first garbage pickup this month was on January 18. The service was getting worse every month."

Baker also reported that recently Solid Waste Enterprises stated only garbage in plastic bags would be picked up, and that to place garbage in bags "would just add another expense."

The Commission stated it would notify Solid Waste Enterprises of the poor report of its service, and agreed the schools needed immediate help.

Before leaving the meeting, Baker told the Commission "some good news." Baker informed the members that the meeting began at 10:00 a.m. with all members present. Present were Oliver Grant, Rex Boutwell, Jack Hornsby, Bennie Beckham, Don Smith and Max Reeves. Also present were Probate Judge James L. Sawyer, Clerk Brunese Winston and Engineer Leslie Mullins.

Mr. Ned Folmar of the Coffee County Forestry Commission, was the meeting's first visitor, and said "I'm here to help Coffee County. Our budget came up \$3500 short and it was due to the county's 15% cut in funds," said Folmar. "Three years ago we had one man and one unit in the county, and we now have 3 men and two and one-half units. To maintain this level of service, we need the extra funds. I asked a couple of commissioners if I could raise \$2000 in donations, would they make up the difference. Well, here are checks amounting to \$2000 in donations, and I'd like to know if the Commission will give the additional money."

The Commission commended Mr. Folmar for his efforts in raising the money, and agreed to write the State Forestry Commission to seek help for the county board.

The Commission agreed to discuss the possibility of making an additional payment to the Forestry Commission.

A letter from the State Fire Marshall was read around, and it reported no progress had been made since the last inspection. The letter added that 2 of 3 smoke detectors in the jail had been removed and the fire extinguisher was empty. The Commission stated it had given Sheriff Neil Grantham the authority to do the needed repairs, and it questioned his neglect of his duty.

Commissioner Jack Hornsby declared, "It's the department and he should have the repairs done, now."

County Attorney Joe Sawyer met with the Commission and commented on a recent court order requiring the Commission to pay legal fees in indigent cases. The Commission had delayed paying the fees until an appeal by Escambia County on the same matter was settled.

"Something is going to have to be done," said Mr. Sawyer, "or the Commission will be in contempt of court. There are two alternatives in the case: -- 1) to pay the fees of \$1278, or 2) not pay and be in court on February 27."

Sawyer stated the only way to avoid contempt charges would be to pay the fees and appeal to the Supreme Court.

"A similar case is being appealed to the Supreme Court," added Sawyer, "but its decision will not come until after the deadline for payment passes."

Commissioner Don Smith stated, "If Judge McAliley is a citizen of Coffee County and an elected official, why wouldn't he grant us an extension on the payment until after the court case is settled?"

Commissioner Rex Boutwell said "I don't think Judge McAliley should hear the case because he would be biased."

After a lengthy discussion, Commissioner Bennie Beckham made a motion "under protest" to pay the legal fees listed in the court order. Commissioners Beckham, Smith, Hornsby and Reeves voted in favor of the motion, while Commissioners Boutwell and Grant abstained from voting.

Speaking on the matter, Commissioner Don Smith said, "I think by the time we paid the legal fees to fight the order, we would end up paying about as much as the order asks for. That's why I voted for it."

County Engineer Leslie Mullins met with the Commission and stated: "The cost of road signs were costing the county between \$500 - \$1000 per month; "The Army Corps Commission would provide the concrete and \$6000 payment to get the drainage flumes installed at the new armory in Enterprise continued on Page 2

Butts Under Consideration For Position

New releases from federal agencies involved with the screening of qualified candidates for the newly created federal judgeships throughout the United States have released the names of those Alabamaans under consideration for the lifetime appointments.

Among the sixty members of the legal profession considered as likely candidates by the federal screening committees is Circuit Judge Terry L. Butts of Elba, according to a new release in the BIRMINGHAM POST HERALD on Tuesday of this week.

Butts told this newspaper Tuesday afternoon that he had no idea how his name got on the list, but he considered it a compliment that someone thought him worthy of consideration.

Butts, a graduate of Troy State University and the University of Alabama, was elected Circuit Judge in 1976 to serve the Coffee-Pike Circuit, money, the money moved to where he could see his hands, so she wouldn't try to go for a gun. After giving all the money to the robber, Mrs. Brooks stated she started "crying and begging for my life, because he had a wild look, and I know he wanted to shoot me."

The gunman then left through the same side door he had entered, and after a

Lone Gunman Robs Brooks' Cafe Of \$250 - Is Still At Large

Brooks Cafe, a small restaurant across the street from Dorsey Trailers, was robbed on Wednesday, January 17, by a lone gunman who later eluded an extensive manhunt by Elba police, state troopers and the Coffee County sheriff's deputies.

The one-room cafe, operated by Mrs. Lillian Brooks for over nine years, was robbed at approximately 1:30 p.m., shortly after the Dorsey employees' lunch break.

Mrs. Brooks told THE ELBA CLIPPER she was wiping off the tables after everyone had left when she heard a side door open. When Mrs. Brooks turned around, she saw a rifle protruding through the doorway, and she yelled, "What are you doing?" thinking a neighbor was playing a joke on her.

Mrs. Brooks reported a black male then entered the cafe and pointed the rifle directly at her. The robber, wearing a red ski mask that covered his head except for openings at the mouth and eyes, looked to make sure the cafe was empty, and then "grunted" and motioned with the gun for her to sit at a desk. The gunman pointed toward the drawer where the money is kept and Mrs. Brooks stated "I gave him some money and begged him not to kill me."

The gunman placed the money in a jacket pocket and motioned for Mrs. Brooks to give him the remainder of the money. She then gave the robber all the money in the drawer, which totaled nearly \$250. Mrs. Brooks added that while she was getting the money, the money moved to where he could see his hands, so she wouldn't try to go for a gun. After giving all the money to the robber, Mrs. Brooks stated she started "crying and begging for my life, because he had a wild look, and I know he wanted to shoot me."

The gunman then left through the same side door he had entered, and after a

Shortage of courtroom space was dramatically displayed here last Friday when District Judge Gary McAliley conducted his business from the porch with witnesses and observers sitting on benches moved from the upstairs courtroom.

PRESENTING SUMMONS.....to the commission is Deputy Sheriff Jim Henderson. The summons named the commission as defendants in a suit regarding the jail.

Miss Galimore Is Bride Of Mr. Parrish

Miss Mary Pamela Galimore, daughter of Mr. and Mrs. James Galimore, and Miss Mary Galimore, daughter of Mr. and Mrs. Roy Allen Parrish, were united in marriage at six o'clock on Saturday, January 13, 1979, in a ceremony performed by the Rev. James T. Brock at the Westside Baptist Church.

The sanctuary was softly lighted by white candles burning on the window ledges, in the spiral candelabra flanking the altar and the candelabra which centered the choir loft. Jade greenery defined the choir loft railing, cascading down the sides and outlining the piano and organ enclosures. A pair of white roses, tied with red ribbons, were placed on the piano and organ enclosures. A pair of white roses, tied with red ribbons, were placed on the piano and organ enclosures. A pair of white roses, tied with red ribbons, were placed on the piano and organ enclosures.

The groom was attended by his brother, Ricky Parrish, as best man. Groomsmen were Rex Parrish of Perry, Georgia, brother of the groom; Tommy Bryan of Brantley, cousin of the bride; Mark Hutto of Andalusia, and Ricky Galimore of Auburn, brother of the bride. Ring bearer was Master Chad Galimore of Auburn, nephew of the bride.

For the wedding, Mrs. Galimore wore a soft green crepe gown, styled with a Y neckline and chiffon sleeves which ended in butterfly ruffles over the hands. Mrs. Parrish wore a light blue crepe gown with sheer accented pleated sleeves. Both were orchid corsages.

Special guests at the wedding were the grandparents of the young couple. They were Mrs. Willie V. Bryan, Mr. and Mrs. Charlie Parrish, Mr. and Mrs. Pat Mauldin, all of Elba.

Miss Little Brock of Chattanooga, Tennessee, presided over the bridal registry. Mrs. D. H. Turner of Tuscaloosa, aunt of the bride, directed the wedding.

After the wedding, the bride's parents entertained with a reception at the church parsonage with Rev. and Mrs. James Brock. The bride's table was covered with a cloth of candlelight satin and lace which had been made for her grandparents' fiftieth wedding anniversary. A cluster of wedding bells with a large white satin bow and red streamers accented one corner. A five-branched silver candelabrum tied with a red bow held white candles. The tiered wedding cake was topped with wedding bells and tied with red roses. A silver punch service encircled with white carnations and red roses was placed on the tea cart which was decorated to match the cake table. In the family room, guests

covered table held silver appointments filled with hot hors d'oeuvres, sandwiches, and dainty pastries. Guests were served by Miss Betty Bates of Gadsdenville, Miss Ann Rodgers of Red Level, and Mrs. Carol Mooney of Elba.

When the newlyweds were ready to leave on their honeymoon trip to Gallatin, Tennessee, they were greeted by some 60 members of their fraternity and sorority who gathered beside the parsonage and serenaded them with "She's the Sweetheart of Sigma Chi."

For the trip, the new Mrs. Parrish wore a light blue knit crepe dress with blouse top. The young couple will make their home in Montgomery.

Out-of-town guests for the wedding were: Mr. and Mrs. Michael May of daughter, Mrs. Mary May of daughter, Mrs. John Taylor and son of Mobile; Mrs. Dorothy Ennis, Reba and Rameal of Jacksonville, Florida; Mr. and Mrs. D. H. Turner of Tuscaloosa; Mr. and Mrs. Tom Nelson, Mr. and Mrs. Charles Niven, Mr. and Mrs. J. H. Plack of Montgomery; Mr. and Mrs. Clarence Crowley of Forsyth, Georgia; Mrs. Claude Sen of Brantley; Mr. and Mrs. Jim Anchors of Port St. Joe, Florida; Miss Little Brock of Chattanooga, Tennessee.

Miss Little Brock of Chattanooga, Tennessee, presided over the bridal registry. Mrs. D. H. Turner of Tuscaloosa, aunt of the bride, directed the wedding.

Maddox With Party
Mrs. Nellie B. Maddox, a Licensed Practical Nurse at the Elba General Hospital, was honored on Friday, January 19, with a retirement party at the hospital dining room. The party was given by the nursing staff.

Mrs. Maddox has worked at the local hospital since August 1, 1963, and officially retired as a full-time nurse on January 2, 1979. Mrs. Maddox will continue to work part-time at the hospital.

Also honored at the party was Mrs. Louise Johnson of Enterprise. Mrs. Johnson, a Registered Nurse at Elba General since April 14, 1975, will retire and could not attend the surprise party due to a previous engagement.

Music Lovers Club Holds Meeting

The Music Lovers Club met on Thursday afternoon, January 11, 1979, at Elba Elementary School. Miss Jeanette Garrett and Mrs. Bob Lee were hostesses.

The usual business of the club was postponed until next meeting because a special program had been prepared.

Mr. John Lowery, vice-president, welcomed the members and guests, and introduced Mrs. Lois Holt, Program Chairman. Mrs. Holt presented Mrs. George L. Collier and Mr. Robert Stump, who performed a number of duet arrangements for piano.

The first number was a piece by the much-loved J.S. Bach, arranged for duet by

Mary Howe, "Sheep May Safely Graze." The second was "Sonata in D," a composition in three movements, by Mozart. They also played "Scaramouche," a suite of three movements, by Darius Milhaud.

Mr. Stump mentioned in his remarks that Bach lived approximately 200 years ago, and was a master at keyboard composition. Mozart lived about 100 years ago, and Milhaud is a contemporary French composer.

Mr. Stump is a former band director of Elba, and a former Minister of Music at Westside Baptist Church. He is presently located in Atlanta.

Kathryn Elizabeth Bannan and William Walter Dyess were married December 28 at 2 p.m. in St. Paul's Lutheran Church, Mobile.

The bride is the daughter of Dr. and Mrs. Michael Bannan of West Chester, Pennsylvania, and the granddaughter of Mrs. Bonnie Taylor of Elba. She is a 1974 graduate of the University of South Alabama, Mobile, and has a degree in secondary education. She is employed as a teacher in the Mobile County School System.

The bridegroom is the son of Mrs. Anne C. Garrett of Mobile. He is a graduate of Biloxi High School, Biloxi, Mississippi, and the University of South Alabama, where he is continuing his studies

Miss Smith Honored With Brunch

Miss Euerlia Smith was honored with a memorable Bridesmaid Brunch on Wednesday, December 20, 1978 at the home of Mrs. Paul Morrow on Highway 125. On their arrival guests were greeted and directed to an antique baby grand piano graced with a white poinsettia, a silver tea service, and a crystal pitcher of sparkling cranberry punch. Red and white poinsettias as well as other traditional Christmas decorations lent a holiday mood to the party rooms. Brass candelsticks with a base of shining red apples and springs of baby's breath clustered in monkey fur greenery provided the centerpieces for the dining tables.

Mrs. Morrow and Mrs. D. Snellgrove of Montgomery served their guest Brunch casserole, shrimp-quiche, party drumsticks, tomato-based spinach, cinnamon rolls, homemade jams, Hawaiian pie, spiced tea, and Coffee.

Those that enjoyed the pleasant conversation and the delicious brunch were: Miss Euerlia Smith of Dothan, Mrs. Jimmy Smith of Elba, Mrs. Tina Mae Jackson of Hartford, Mrs. Brunese Parker of Florence, Mrs. John Murphy of Auburn, Mrs. Jennifer Nigley, Mrs. Linda Ivey, Mrs. Daphne Whitestone, all of Dothan, Mrs. Edna Morrow and Mrs. Faye Johnson of Elba.

Miss Smith presented her attendees with a lovely hurricane lamp encircled with silk flowers as a remembrance of the wedding. A crystal bowl and a corsage of silk roses were given to Miss Smith by the hostesses.

Whitewater Baptist Has New Addition

Whitewater Baptist Church, located about four miles north of Elba on Alabama Highway 125, will observe a special Day of Dedication and Fund Raising on Sunday, January 28. The observation will begin with Sunday School at 10 a.m., worship at 11, lunch at 12, and the dedication service at 1:30, followed by open house.

Rev. David Richburg, pastor, and Dr. Paul Foxworth, a former pastor, will be the speakers at the dedication. Rev. Richburg and the congregation invite everyone to be their guest for refreshments and for lunch.

For the fifth time during its 115-year history, the church has made a major change to its building. A new fellowship hall, kitchen, nursery, classrooms and office have been added; and a January 28 has been set aside as a

day to give special praise and thanks to God for this addition and to raise money to help defray the construction costs.

Whitewater was founded in 1861, the year that Alabama seceded from the Union. The first meeting place was a house situated across the road from the present building. In 1902 the church purchased two acres of land and in 1905 bought an additional 1/2 acre. It is on this property that the members constructed the first log building in 1905, and it is on this site that the present church stands. The log structure served as the meeting house until 1910 when it was replaced by a wood-frame house. The next major construction was completed in 1957; classrooms were added, and the

outside was bricked, enclosing the old 1910 building. In 1951 a fellowship hall and kitchen were added upstairs. The construction just completed was begun last August.

Whitewater has a complete church program: Sunday School, Church Training, music, Brotherhood, and Women's Missionary Union departments. In addition, activities are planned for the

children and youth. This latest addition to the church's physical facilities is not an end in itself, rather, it is a means by which to serve God by carrying on more effectively His work of reaching the world with the Good News of salvation.

Anyone living in the area and not having a church home is invited to become a part of the fellowship of this church.

The guest speaker will

be Sherrill Kewin, former missionary journeyman to Korea and special music will be brought by Mrs. Dan Warren of Hiram.

To make reservations, please call Mrs. Merle Wise at 897-2452 after 5:30 p.m.

The guest speaker will

be Sherrill Kewin, former missionary journeyman to Korea and special music will be brought by Mrs. Dan Warren of Hiram.

PASTOR'S CORNER

Rev. James T. Brock
Westside Baptist

THE CHILDREN OF GOD
A list of the aspirations of man would be long, complicated and in many instances unattainable. Man's desires for himself and his society have always involved the elemental needs of food and shelter, and those desires have evolved into more asetic goals and attainments. Perhaps nothing has ever puzzled the mind of man, nor challenged his ingenuity more than a desire to be like God. In the Garden of Eden, Eve seems to have been intrigued by the idea of being like God. In the course of human history, man has sought to be like God by doing his own good as he likes. That is a weird, and yet realistic judgment of many of man's efforts in a god direction. The Bible is the story of God's efforts to make man like Himself.

John, in the wonderful prophecies to the gospel, says, "... as many as received Him, that is Jesus, the eternal Word of God, to them gave He power to become the Sons of God, even to those who believe on His name." (John 1:12) A son is like a father. Jesus said that if we see Him then we see the Father because they are one. God chose to make us like Himself by bringing us into the family through Jesus Christ. Now, do not jump to the conclusion that man is equal of God. No, man is still a mortal creature who must wrestle against flesh and blood and the powers of the air," but he becomes a part of the family of God because of the purpose from a God direction rather than by his own initiative.

Since God has purposed in Jesus Christ to make "sons" out of fallen man, then what is the responsibility of man in the transaction? According to our same verse, John 1:12, man is required to accept the provision of God on a faith basis. The first reaction of man to an offer of this sort would be the demand for demonstrable proof of the validity of the offer. God demonstrated His sincerity of purpose by the resurrection of His Son from the grave. With these actions in mind, man is invited to openly express a faith in the continuing power of God to make sons out of those who believe. The Son of God became the Son of man in order that the sons of men might become the sons of God. Thus, the human family is empowered by the Living Lord to accept Sonship in the family of God. Beloved, we are God's children by faith in the Lord Jesus Christ.

Jim Rogers On Honor Roll At McCallie

Jim Rogers of Elba has been named to the honor roll at the McCallie School in Chattanooga.

Son of Mr. and Mrs. J. T. Rogers of Elba, Jim earned the honor ranking for his average in the fall term. He is also a member of the varsity soccer team and a prefect in his dormitory.

Founded in 1905, McCallie is a non-denominational college preparatory school enrolling 671 students.

"The Hiding Place" To Be Shown At Assembly

"The Hiding Place," a true story that has captivated over 8,000,000 readers, will be shown at First Assembly of God of Elba on Sunday, February 4, 1979, at 7:00 p.m.

The film dramatically shares the lives of the ten Boom family, of which Corrie remains to tell her story.

"This 145-minute color spectacular will deeply affect your life," said Rev. Arbogast, pastor of the church.

Tickets are required for admission; however, they are free, and may be picked up at the First Assembly of God office between the hours of 1:00 to 4:30 p.m., or calls may be made to 897-6655 for them.

"And we have known and believed the love that God hath to us; God is love; and he that dwelleth in love dwelleth in God, and God in him... There is no fear in love, but perfect love casteth out fear: because fear hath torment. He that feareth is not made perfect in love." 1 JN. 4:16, 18

HIGHLIGHTS FROM THE INAUGURATION

Of Gov. Fob James

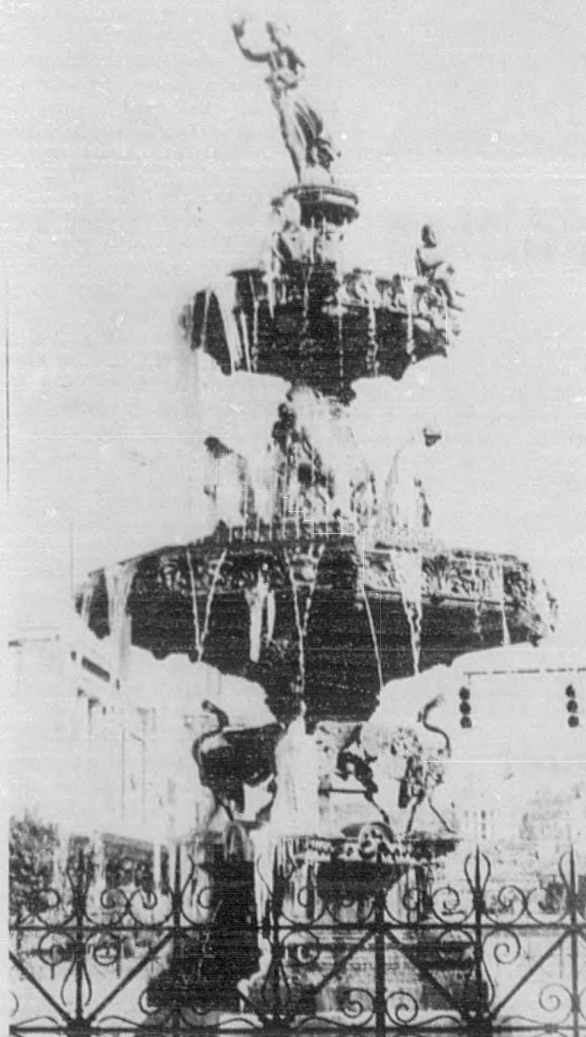

On Jan. 15, 1979

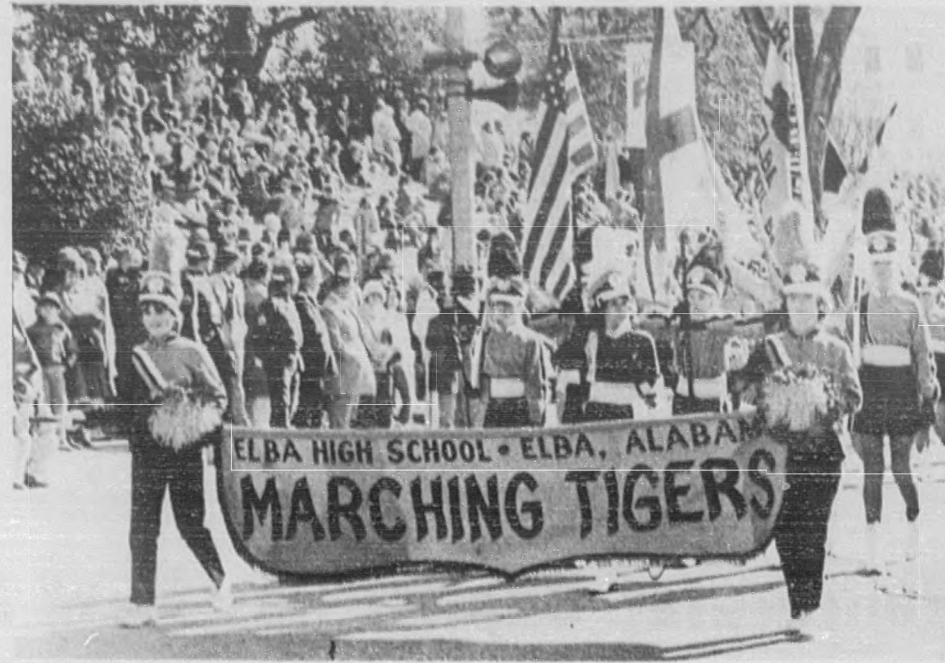

State Senator Wallace Miller chats with members of the Elba band prior to the parade. Miller rode the County bus in the parade.

Elba band members had a long, cold wait after arriving in Montgomery to march in the parade.

The icicles on this fountain in downtown Montgomery is proof that it was cold on inauguration day.

Elba High School's "Marching Tiger Band" nears the end of the long parade route. The band was one of over 100 in the gala event.

Gov. Fob James shakes hands with Bo Dunaway, Elba Street Supt., at a breakfast given by Lt. Gov. George McMillan.

STORING APPLIANCES

Small kitchen appliances save all of us a lot of time. But when we look at the top of our counters we'd all have to agree that they sure can be a problem to store. One way to clean up your counters is to put those items you use frequently within easy reach and put away those you use only occasionally.

You might want to survey your storage possibilities. Keep appliances used daily—toaster, can opener, blender—on counter tops. If space allows, mount or hang an electric knife or hand mixer from a wall peg when not in use. Sturdy pullout shelves in base cabinets are ideal places for bulky, heavy items such as fry pans or griddles. A lazy Susan in a base cabinet makes small appliances accessible. Shelves with sliding doors might be added to an eating bar arrangement, or in the corner of counter top.

Roll up appliance cords loosely for storage or hang on a handy cord storage rack mounted to a cabinet door or wall.

SUPERBUG

We've had a lot of calls in the office lately about the bugs which are supposedly destroying this year's lettuce crop.

Don't put all the blame on the "superbug" known as the tobacco budworm for current higher prices for lettuce. U. S. Department of Agriculture (USDA) experts report that rain and cold are responsible. And, they discount rumors that lettuce might rise to \$2 a head at the retail counter.

Cold weather and rain that hit southern California and western Arizona in late November and also during December damaged the iceberg lettuce crop. Harvest was delayed, and

shipments dropped sharply. Although shipments have returned to near-normal levels, prices continue high because erratic weather has caused uncertainty about future supplies.

The rumors that half of this winter's crop of iceberg lettuce will be destroyed by the budworm are unfounded. The budworm has been brought under control, partly from the natural force of cold weather that slowed its activity and partly from spraying of the few fields it threatened.

If the lettuce crop is further damaged this winter, it will be cold weather or rain that's responsible, not the budworm. The budworm became active in the fall because of unusually warm weather. But winter temperatures in California's Imperial Valley area likely to be high enough for the bug to pose a threat.

COTTAGE CHEESE

In these fast-paced, economy-conscious days, any food with its own built-in convenience is a well-welcome relief. Cottage cheese is just such a food. Besides being ready to eat spooned from the package, it is low in calories, relatively low in cost and high in nutritive food value. There are also endless ways of using it to add variety.

The initial goal of FIRST STEP is medically supervised detoxification, while the ultimate goal is the reinstatement of well-adjusted, productive individuals into society, no longer dependent upon alcohol.

YWEA Missions

Group To Have Spaghetti Supper

The Elba YWEA Missions group will be having a spaghetti supper Friday, January 26, from 3:30 to 6:30. The cost will be \$2.00 a plate. The spaghetti will be eaten at the church or taken home. Orders should be called ahead for pick-ups. Call 897-6384 or 897-6598 for ordering. The money made from this supper will go to missions.

NEWS from your PHARMACIST

BY KRIS SCARBOROUGH

The Student Government Association of Douglas MacArthur State Technical College in Opp recently elected new officers to serve the student body. They are as shown left to right: Phoebe Allen, Secretary-Treasurer;

4-H NEWS

The 4-H club met January 16, 1979 in the club room. The meeting was called to order by the president Tim Dress. After group singing, which was led by our song leaders Robin Lawrence and Ceina Hayes, the vice president, Claude Dorsey led the pledges to the American and 4-H flags.

The devotion was given by Scott Flowers. Our secretary, Lisa Moore, called the roll and read minutes of the last meeting. The minutes were approved.

Subjects discussed under business were: About teeth. The vice president, Claude Dorsey, introduced the program "Macrame Key Chain," which was given by Eve Sharpless. After the program, the president adjourned the meeting until next month at the same time and place.

Game leaders Sharon Silar and Sherry Sharpless led the group in playing games.

First Step Moved To Red Level

The FIRST STEP Alcoholism Treatment Center recently moved from its old location in Florida to a more modern facility in Red Level. Located in the old Terry Memorial Clinic on Smylie Street, the program will offer a more pleasant environment for treatment of alcoholism. The new phone number in Red Level is 469-5347.

FIRST STEP, which had been located in Florida since 1974, offers a 28-day voluntary residential clinic for persons with alcohol related problems. The new facility can accommodate twelve patients, nine men and three women.

A spokesman for the South Central Alabama Mental Health Center says that this move reflects a genuine concern on their part to upgrade and enhance mental health programs in the Butler, Coffee, Covington, and Crenshaw counties.

ALL AROUND COFFEE COUNTY

County Farm Agent TOM CASADAY

SWINE MEETING

A wonderful opportunity for swine producers to get the latest information on swine outlook, swine buildings, swine health and swine management will be Tuesday, January 30. The swine meeting will be at the Experiment Station at Headland beginning at 9:45 in the morning.

Outstanding speakers such as Dr. James Danton - Animal Scientist-Swine, Mr. Harold Watson - Head of Extension Agricultural Engineering, Dr. Harold Kjar - Extension Veterinarian, Mr. Jack McCaughy - Alabama Farm Bureau, Darrell Kuhlers, and Terry Prince will be on the program.

There is also a tour planned of all the swine facilities on the Experiment Station.

Jeff Smith, Jr. Division, Auburn Extension has just hired John Jensen as their fisheries specialist. John was visiting in the county last week, and I am really impressed with him. He made on the farm visits with Carlton Larkins, Rex Lowery and Doc Littleton. He discussed with these folks pond management such as stocking, fertilizing and weed control.

If you are having trouble with your pond, John says it may need liming. To find out if your pond needs lime, he suggests taking a soil sample. You can do this by using a bamboo pole with a can attached to it. You need to take samples from several places in the pond. Allow these mud samples to dry and send them to the soil testing lab at Auburn and mark your container test for fish pond. This will be a sure way to find out what your pond needs in the way of fertilizing.

HOG OUTLOOK With the increased interest in hog production now, I am constantly asked, "Is the price of hogs going to hold up?" According to the "Low Farm Outlook," prices will average somewhat lower than previously.

TSU Graduates Announced Troy State University President Dr. Ralph W. Adams and Walter Sullivan, Director of Academic Records for the Troy State University System, have announced the names of students having fulfilled degree requirements for graduation.

The following students from Elba, Alabama have completed degrees from TSU as of November 22, 1978. They are: William Jeffrey Blimbo, Daphne Turner, Kenneth Mark Calhoun, Pam Gallimore Parrish, Ronnie Lee Parrish, and Ernie Smith.

The degrees will be conferred during commencement exercises on March 15, 1979, at the main campus of Troy State University.

4-H ACTIVITIES Jack Tatum, our new 4-H agent, is doing an extremely good job in the 4-H program. Jack has been presenting a program to the elementary clubs on dental care, and he has done an exceptionally good job of getting the facts across as well as holding the attention of the 4-H'ers.

Jack told me the following boys placed in the 4-H wood-working exhibit. Sr. Division: First place - Wetzel Weeks; Second place - Glenn Logsdon; Third place - Jeff Smith, Jr. Division: First place - Barron Cain; Second place - Phillip Thornton; Third place - David Johnson.

Wetzel and Barron will represent Coffee County in the District 4-H Woodworking Exhibit early in the summer.

January, when it is too wet a lot of times to do anything else, is an excellent time to complete or construct fire lanes. If you have a fire on your property, it is important to be able to get to it on your truck or tractor or fire fighting equipment. It is also good to have a lane just simply to drive through and view and check on your property. We only have a very few fire lanes or access roads in Coffee County. What is the condition on your property?

Tri-State Breeders Form And Plan Sale

A group of swine breeders from Florida, Georgia and Alabama have organized the Tri-State Swine Breeders Association, Inc. and planned a series of all-breed sales in each of the three states.

Meeting on October 29, 1978 in Dothan, the group elected the following officers: Jim Rudt, Geneva, Alabama; Ricky Stephenson, Boston, Georgia; and George E. Travick, Arlton, Alabama, Secretary.

Names of trustees for each of the three states were Jan Fancher, Florida; George Howard, Travick, Alabama; and Dave Rehling and Perry G. Cross, Georgia.

The group will sponsor its first sale at the Houston County Farm Center, Dothan on March 17, 1979 at which approximately 150 head of several pedigreed breeds will be shown and sold.

"We feel that an organization of this kind has been needed in the Tri-State area where Alabama, Georgia and Florida join to make one of the finest swine producing areas in the world," says Mr. Rudt. "We can help the small breeder market his pedigreed stock as soon as it is matured and our larger breeders can join together competing for the export market."

He pointed out that African swine flu has decimated the hog population in Brazil and other South American countries.

"We believe we are better situated and qualified to help these countries with seed stock than anyone else. Our shipping distances will be shorter, our climate is more similar, and we have the best blood lines available anywhere," Mr. Rudt concluded.

SPORTS

Views From THE PRESSBOX

With Ricky Malarz, Sports Editor

The South Alabama Conference basketball tournament was held in Eufaula last week, and for the second time in 3 years the tourney was marred by a "free for all" between Eufaula and Troy. Two years ago in Andalusia players and fans of the two schools tangled, and Friday nights tascos again involved both players and fans.

If the two schools can't settle their differences, they need to stop playing each other before someone is seriously injured, and if the two schools cannot display better sportsmanship than they do, I think it is time to drop both schools from the conference.

The surprise team of the tourney was Coach Mance Daughtry's Pike County Bulldogs. Pike County embarrassed Samson 104-53, routed Daleville 66-46 and easily disposed of Laverne 48-39 before suffering a one-point loss to Eufaula in the finals.

Coach Daughtry has many friends in Elba, and I know they're all glad to see him doing so well in his first year at Brundidge.

Zion Chapel claimed a big win last week when they upset the New Brockton Gamecocks. It was Zion Chapel's first win ever for the Rebels over Brockton in basketball, and it could provide the needed spark to ignite the slumping Rebels. By the way, both the Area 5 and Region 3 tournaments will be held at Zion Chapel, and it should be some week of basketball! Included in the tourney will be Zion Chapel, Clio, Rebecca Comer, Clayton and Baker Hill.

Ye ole "Polish Prep Pull" was mentioned in a couple of other papers last week, and apparently some folks are paying attention to the Promiscuous's Pickins. This week there are again some changes, but the pull should look pretty familiar. Here goes . . .

Class 4A
1. Central, of Phenix City
2. Enterprise
3. Lanier, of Montgomery
4. Selma
5. Lee, of Montgomery

Class 3A

4. Laverne
5. Straughn

Class A
1. Rebecca Comer
2. Clio
3. Pleasant Home
4. Kinston
5. Wicksburg

I talked with Recreation Director Dennis Smith this week, and he told me that plans are being made to hold a disco dance at the Rec Center once a month. Dennis added that the boys' basketball league will start next week and will play 2 games each Saturday morning.

The boys, like the men, will form an All-Star team at the end of the season to compete in a region tournament.

For the first time ever, I watched every bit of the Super Bowl, and it was quite a game. I was pulling for Pittsburgh, and obviously I enjoyed the game.

New Hope Wildcats Rip Kinston 94-72

The New Hope Wildcats upset their record 7-1 Monday night by claiming a hard-fought 94-72 win over the Kinston Jr. High Bulldogs.

The Cats came out in a zone defense and managed to take command early as they took a 22-10 lead after one quarter. Kinston began to rally in the second stanza and cut the Wildcats lead, but couldn't catch-up and trailed 38-27 at the half.

New Hope came out fired-up in the third quarter and threatened to run the Dogs off the court as they moved into a safe 66-45 advantage. The Cats held on in the final stanza, and everyone got in the scoring act as New Hope cruised to the victory.

New Hope 22 16 28 28 - 94
Kinston 10 17 18 27 - 72

The New Hope scoring parade was led by Jeff Sam with 21 points, while other Cats hitting in double-digits were Andy Grantham 15, Darrin Johnson 12, Daniel Sanders 16, Phillip Black 10

and David Sanders 10. Also scoring were Kenny Perkins 6 and Kim Ellis 4.

Leading Kinston were M. Rhodes with 34 and T. Free with 22.

(B GAME: KINSTON 41-NEW HOPE 30)

D. Smith poured in 15 points to lead the Kinston 8th grade to a 41-30 win over New Hope. Scoring for New Hope were Darrin Johnson 16, Robby Hall 4, Randy Flowers 4, Ken Downing 4, and I think Moultry 2.

New Hope's Coach Ken English was pleased with the win over Kinston and stated, "We beat a very good team. Kinston shot real well from the outside and it took a good game by our boys to win."

"We have two games left before the county tournament," added English. "And we are optimistic. We are going to make a few changes before the County and I think we've got a chance."

National Security & Magic 8 Remain Unbeaten In Men's Basketball Action

TWO-POINTS..... an unidentified Dorsey Black player fires in an easy basket in a game against Dorsey Blue. The Men's league plays on Monday, Tuesday and Thursday nights.

Elba Tigers Host Samson In Friday Night Match-Up

The Elba Tigers return to action tomorrow night (Friday) when they host the vastly improved Samson Tigers in a conference match-up.

The Junior game starts at 5:00, while the B game will start at 6:15 and the Varsity will tip-off at 7:30. "Samson whipped us by 18 points early in the season," said Elba Coach Jerry Kirkland. "And I hate to admit it but we played a good game. Samson came out red-hot and never cooled off, and combined with our foul trouble we just couldn't stay with 'em."

Samson is a big, physical club with a 6-5 center and two 6-4 forwards. Their guards are small, but have excellent outside shots.

"They have good inside strength, and good outside shooting," added Kirkland. "And when they're hot they are hard to beat. Samson

ZionChapel Ups Record To 9-4

With Win Over New Brockton

The Zion Chapel Rebels upped their record to 9-4 last Friday night with a 77-72 upset win over the New Brockton Gamecocks. It was the first time the Rebels had ever beaten the Gamecocks in basketball.

"I couldn't have asked any more from our players," said Z.C. Coach Mike Lindsey. "They played as hard as they could and they deserved to win. We shut down the middle and backed-up to seal the lane and it worked just like we drew it up."

"The win has got everybody sky-high and we're looking forward to the rest of the season," added Lindsey.

New Hope's Coach Ken English was pleased with the win over Kinston and stated, "We beat a very good team. Kinston shot real well from the outside and it took a good game by our boys to win."

"We have two games left before the county tournament," added English. "And we are optimistic. We are going to make a few changes before the County and I think we've got a chance."

The men's basketball league is now 3 weeks old, and the only unbeaten teams left are National Security and Magic 8.

MAGIC 8 64
WOODLAND GROVE #1 54
The Magic 8 led all the way as they claimed a tough 64-54 win over Woodland Grove #1. The Magic 8 held a slim 20-27 lead at the half, but pulled away in the third stanza for the victory.

Max Fuller scored 21 points to lead the winners, while Greg Johnson tallied 14 points for Woodland Grove.

DORSEY BLUE 69
DORSEY GREEN 68
The Dorsey Blue blew an early 12-point lead and had to stage a fourth quarter rally to defeat Dorsey Green 69-68. The Blues built a 22-10 advantage in the opening stanza, but had to rally to a 53-50 deficit in the final quarter to claim the victory.

Doug Lee poured in 22 points to pace the winners, while Willie Lowe scored 36 points in a losing cause.

JAYCEES 62
WOODLAND GROVE #2 60
Woodland Grove #2 got their first win with a exciting 62-60 victory over Woodland Grove #2. The game was close all the way, but the Jaycees moved ahead late in the game and held on for the win.

Skip Rainer tossed in 22 points to lead the Jaycees while Jackie Downing scored 27 points for the losers.

NAT'L SECURITY 90 (OT)
COOK CHEV. 89
In a battle of unbeaten, Albert and Willie Tyson combined for 73 points to lead National Security to a 90-89 win over Cook Chevrolet. Cook held a 45-24 lead after two quarters, but National Security rallied in the third period to grab the lead 62-53.

Tim Goolsby poured in 21 points in the final stanza as the Cook tied the game at 84-84, but National Security pulled out the win in overtime.

Albert Tyson and Willie Tyson scored 45 and 28 points, respectively, to lead the winners, while Cook's Tim Goolsby led all scorers with 46 points.

Jr. High B Team
Wins 46-45

The Elba Junior High B team broke a 4-game losing streak last week by claiming an exciting 46-45 overtime win over Coppinville, in Enterprise.

The win upped Elba's record to 5-5 with two games left on the schedule. The Elba squad came out playing sloppy in the first quarter and did nothing right as they fell behind 6-4. The Tigers began to put their game together in the second period and moved ahead 17-15 at the half. Elba played well in spurts in the third period and moved into a 28-20 lead, only to see Coppinville cut the lead to 29-23 going into the final stanza.

The Tigers again moved into an 8-point lead early in the fourth quarter, but the tempo of the game turned around as three Elba starters fouled-out in a one-minute span. Coppinville came roaring back and pulled into a 39-39 tie at the end of regulation time.

In overtime, Elba moved into a quick 42-39 advantage, but when a fourth Elba player fouled out the Tigers were forced to play the final 21/2-minutes of overtime with only 4 players.

The Tigers withstood the pressure and held on for win #5. Scoring for Elba were Bobby Guitley 20, Stanley Barnes 12, Terry Spicer 9, Randy Miller 3 and Maurice Ellard 2.

NAT'L SEC. (90): F. Christian 10, B. Christian 2, A. Tyson 45, W. Tyson 28, Rayborn 5.

Elba To Host Coffee County Junior High Cage Tourney On Feb.1-3

The Coffee County Junior High basketball tournament will be held at the Elba High gym on Feb. 1-3, with two games scheduled for all three nights at 6:30 and 7:30. The winning team will advance to the Area tournament to be held the following week.

New Brockton Cage Slate Dips To 6-10

The New Brockton Gamecocks continued to find wins hard to come by last week as the Gamecocks lost to Wicksburg 70-68 and Zion Chapel 77-72. Coach Charles Cole's 'squad now owns a record of 6 wins and 10 losses.

Wicksburg 70
N. Brockton 68

Tony Johnson poured in 22 points to pace the Wicksburg Panthers to a narrow 70-68 win over New Brockton, in Wicksburg. The Gamecocks used their height to move into a 21-16 first quarter lead, but the sharp-shooting Panthers rallied in the second period to go ahead 33-32.

The final half was a see-saw affair with both teams owning the lead on several occasions. However, Wicksburg moved ahead for good in the closing minutes and held on to win.

W 16 17 19 18 - 70
NB 21 17 19 - 68

Scoring for Brockton were David Adams 16, Robert Wilson 14, Ricky Nelson 15, Fred Thomas 12, Larry Wilson 9 and Rodney Griswold 2.

The B game, Wicksburg won 30-29. Scoring for the Gamecocks were Joseph Burrow 14, Robin Shepard 7, Kevin Weeks 4 and Cary Wilkes 4.

Zion Chapel 77
N. Brockton 72
Zion Chapel built-up a 17-point lead midway through the game and held on late in the game to edge New Brockton 77-72.

Artic Amateur To Be Held At Troy State

The first annual "Artic Amateur" golf tournament will be held at Troy State University's Trojan Oaks Golf and Racquet Club on January 27-28.

The 36-hole handicap tournament is expected to attract golfers from throughout the state and several others from Georgia and Florida.

Prizes will be awarded. Entry fee for the tournament is \$25 which covers greens fees for both days and a practice round prior to the tournament.

Players will be paired according to their handicaps. Persons interested in playing in the tournament should contact Mike Griffin or Eddie Spears at Trojan Oaks. The pro shop will have a list of 203-566-3000, Extension 37.

Bama & Auburn Grid Stars To Meet In L.B.W. Benefit

This event will be held in Andalusia at the L.B.W. gym on February 9, 1979 at 8:00 p.m. Featured players for the Alabama team will be Jeff Rutledge, Barry Krauss, Marty Lyons, Tony Nathan, Murray Legg, Lou Rier, Bruce Bolton, and Jeff Tillman, former Alabama baseball player from Andalusia.

Playing for the Auburn Tigers will be Reese McCall (TE with the Baltimore Colts formerly of Auburn), William Andrews, Mike Burroughs, Charley Trotman, Joe Cribbs, and Harris

Tickets are on sale at Playmaker Sporting Goods, Kelley & Sons Clothing Store, Wilson Auto Parts, CBS Pit Barbecue and the Village RX Drug Store.

meets Goodman. The 7:30 game will pit Elba against Kinston. Friday night's 6:00 contest will have Enterprise Jr. meeting the New Hope -Goodman winner, and at 7:30, Dauphin will battle the winner of the Elba-Kinston clash.

The consolation game will start at 6:00 Saturday night, with the championship game set for 7:30. A 10-man All-Tournament team will be announced following the championship game.

Admission will be \$1 per person.

FISHIN' TIPS

HEY TOM: "I know you fish all over and this is really pining you down, but if you could have only one cast, one hit, competing in a \$25,000 winner-take-all bass tournament, which lure would you choose? HARDHEAD JOE.

HELLIO HARDHEAD: Boy, they sure named you right! Well, I'd choose a 6-inch Strawberry flavored plastic worm with a 4-ounce slip sinker, fire it a country mile along a deep, weedy shore, and grow old bringing it back.

DEAR TOM: "I've heard here manufacturers make lures to catch fishermen, not fish. True?" IN-QUISITIVE

HELLIO INQUIZ: I'm sure this has happened in the past but it cost too much today to make

this gamble. Every lure is thoroughly field tested, and if the fish don't buy it there's no use trying to sell it to fishermen.

DEAR TOM: "When I can't catch a fish all day, I get so frustrated I could spit fire. Is it true you experts always catch fish?" GOTTA KNOW

HELLIO GOTTA: Don't you believe it, all fishermen get wiped out at times. The only guy I ever knew who *always* caught fish was a tricky friend of mine who, when he got skunked, would go to the fish market on his way home. He'd buy some fish, then toss them to him. That way he could always say he caught some fish.

COOK CHEVROLET, INC. '79 CHEVY PICKUPS

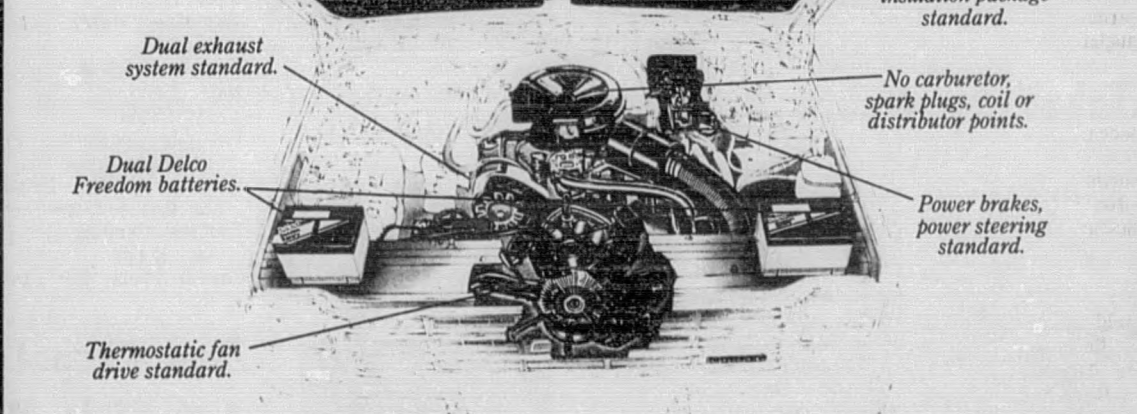

DIESEL

Tough V8 diesel half-ton pickup. Introduced just last year, the 5.7 Liter V8 diesel pickup may be ordered as either a C10 Fleetside or Superduty with either 6'6" or 8'6" box.

Long-range value. While the price of diesel fuel varies from area to area across the country, the cost has been traditionally less than unleaded gasoline and can offer substantial savings in fuel costs over a long period. And current users of diesel power—fleet operators, farmers, construction firms—should realize even greater benefits through standardization of equipment.

Eliminates need for ordinary tune-ups. Engine has no spark plugs, carburetor, or distributor points. Simply change the oil and filter every 3000 miles.

Dual exhaust system standard. Dual Delco Freedom batteries. Thermomatic fan drive standard. Special insulation package standard. No carburetor, spark plugs, coil or distributor points. Power brakes, power steering standard.

FRESHMAN CLASS FAVORITES

Trip Taken By Eighth Grade

The 8th grade class at Zion Chapel were fortunate enough to be able to attend the inauguration of Governor Fob James, Monday, January 15, 1979. We left our school at 8:00 en route to Montgomery, arriving only a few minutes before the parade began. We were very proud of the way Coffee County was represented. Everyone was at their very best and we were especially proud of our very own,

Randall Myers, as he led the Zion Chapel Band. The entire day was a great experience for everyone, and one we shall never forget, for we saw history in the making. We would like to thank everyone responsible, especially our chaperones, Mr. Charles D. Lowery, Mrs. Nellie Holcomb, Mrs. Joyce Flowers, and Mrs. Janice Bell.

Guess Who

He is in the 10th grade and hasn't lost a freckle. His hair is a lot longer now. I'll bet you can guess who!!!!!!

Kinston PTO To Meet

The Kinston P.T.O. (Parent Teachers Organization) will hold its regularly scheduled meeting Thursday night, January 25th. The meeting will be held in the Kinston High School Auditorium at 7:00 p.m. Mrs. June Brown, coordinator for the special education program of Coffee County will be the guest speaker. Open house will be observed after the meeting. Horace Weeks, president of the Kinston P.T.O., encourages all parents and teachers to attend this meeting.

Zion Chapel 4th Grade 4-H Girls Meet

The Zion Chapel 4th grade girls met January 16, 1979 in the club room. The meeting was called to order by the president Sheila Rugg. After group singing, which was led by our song leaders Susan Nelson and Dedra Gatlin, the vice president, Ginger Green led the pledges to the American and 4-H flags.

The devotion was given by Debra Debie. Our secretary, Brenda Mobley, called the roll and read the minutes of the last meeting.

Jaycee Week January 21-27, 1979

ESJC - Joe Logan, business instructor at Enterprise State Junior College and his economics class view movie on closed circuit television. Nine channels are now in use to pipe programs of live TV, video tapes or emergency broadcasts to classrooms.

ESJC'S Closed Circuit TV

COUNTDOWN... 7:27 - 28 - 29 - SWITCH ON! A color TV screen lit up and 46 Enterprise State Junior College students viewed a movie on closed circuit TV. The movie was titled "The American Revolution" and was shown in the ESJC's Media Specialist, B. A. Forrester, ESJC president said. "Now that all of our classrooms have been tied to the TV Closed Circuit Control Center in the Learning Resources Center, we can pipe live TV shows, films, video tapes, and emergency broadcasts to all parts of our campus," he added.

The first class to make use of the recently completed system was a first quarter economics course under Joe Logan. Their topic was communism and private property and they first caught the final segment of the evening

news which happened to be on Red China's policy change which now permits their citizens to fix their hair as they please.

"We have already taped local business and professional people discussing their particular career for use by the Career Development Center," Vickers said. "We will now begin taping classroom instruction with a goal of at least 16 courses ready by fall quarter. These tapes will serve as a self-evaluation tool for the instructors, and may be used for class when an instructor is absent. Also, they will be placed in the library and may be used by students who missed class or need additional help," he added.

New classrooms are available for classroom use at the center. This permits as many as nine different programs to be piped to any or all classes on campus whenever needed.

Vickers has been busy purchasing and installing equipment for the system since the junior college received a Federal grant under Title VI-A, Category II last July.

"We have already taped local business and professional people discussing their particular career for use by the Career Development Center," Vickers said. "We will now begin taping classroom instruction with a goal of at least 16 courses ready by fall quarter. These tapes will serve as a self-evaluation tool for the instructors, and may be used for class when an instructor is absent. Also, they will be placed in the library and may be used by students who missed class or need additional help," he added.

Vickers has been busy purchasing and installing equipment for the system since the junior college received a Federal grant under Title VI-A, Category II last July.

"We have already taped local business and professional people discussing their particular career for use by the Career Development Center," Vickers said. "We will now begin taping classroom instruction with a goal of at least 16 courses ready by fall quarter. These tapes will serve as a self-evaluation tool for the instructors, and may be used for class when an instructor is absent. Also, they will be placed in the library and may be used by students who missed class or need additional help," he added.

New classrooms are available for classroom use at the center. This permits as many as nine different programs to be piped to any or all classes on campus whenever needed.
